Project: **RUWAIS SULPHUR GRANULATION PLANT AT RSHT - 2 FOR HAIL & GHASHA PROJECT (1005312)**

Subject: **NOTICE OF AGREEMENT RENEWAL – MEDICAL SERVICE AGREEMENT (WISON2410825020, EFFECTIVE 13 OCTOBER 2025)**

Dear Sirs,

Reference is made to your email dated 11 September 2026 regarding the renewal of the Medical Service Agreement dated 13 October 2025 (the "Agreement") between WISON ENERGY ENGINEERING (HONG KONG) LIMITED – ABU DHABI ("WISON") and RESPONSE PLUS MEDICAL SERVICES L.L.C. ("RPM").

Pursuant to Clause 6.1 of the Agreement, which provides that the Agreement shall remain valid for twelve (12) months with automatic renewal upon mutual agreement, WISON hereby confirms its agreement to renew the Agreement. To ensure operational continuity for the Main Contract (the EPC Works for the Ruwais Sulphur Granulation Plant at RSHT-2), WISON proposes that the Renewal Period shall extend until the Provisional Acceptance date under the Main Contract (currently anticipated as 13 April 2028) or any extension thereof. No further annual renewal confirmation shall be required, unless the Agreement is earlier terminated pursuant to its terms.

Furthermore, in accordance with Clause 2.1 and considering the dynamic site conditions, WISON reserves the right to adjust the on-site medical service items (including personnel, shifts, and vehicles) based on project requirements. Any such adjustments shall be priced at the fixed unit rates specified in the Agreement and shall not constitute a material variation. Monthly billing shall be settled based on the actual quantities mutually confirmed for that specific month, without requiring further formal notice.

Accordingly, this letter serves as the written confirmation of the Parties' mutual agreement for the renewal, and the Agreement remains in full force and effect on the same terms and conditions.

Please acknowledge your receipt and agreement by signing and returning the duplicate of this letter. Yours faithfully,

Sincerely yours,

Feng Guoling
